Care and Stain Removal Instructions

Wash at 40°C using detergent for colored fabrics. No industrial washing. Pre-washing recommended. Do not bleach. Iron on the reverse side at high temperature (3 dots) with steam to reactivate the stain-resistant treatment. Do not dry clean. Do not tumble dry. Do not store folded.For red fruit stains (as well as red wine or highly pigmented sauces), blot immediately and wash without delay.
For grease stains, act immediately by placing absorbent paper on the stain, applying a dry degreaser to the reverse side of the fabric, and washing without delay.

Applications

Protection and decoration of tables.

This fabric, woven and finished exclusively in the Vosges region, has undergone the following treatments:
- Desizing
- Stain-resistant treatment
- Double acrylic coating
