

PLAYA RAYURES 5/5

PLAYA RAYURES 5/5-DRALON OUTDOOR FABRIC

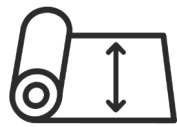

Technical specifications

Composition

70% DRALON / 30% POLYPROPYLENE
(OUTDOOR)

Width

43/45 cm

Construction

26 x 12/cm NM 34/2
100% DRALON x 420 DEN.
100% UV-treated polypropylene

Weight

215 g/m² (+/- 5%)
Folded / rolled 30 m
Approx. 3.5 kg per piece

Performance characteristics

Pilling resistance: 3/4*
Abrasion resistance: 25,000 cycles*
Light fastness (UNI EN ISO 105-B02:2004): 6/7* (see back)
Colour fastness to rubbing (dry/wet): 4/5*
Customs code: 54074200

Care instructions

Usage

Table runner, placemats, deckchair fabric (outdoor sun lounge fabric).
Not suitable for weft tension use (warp tension only).
Therefore, not suitable for "director chair" applications.

Light fastness note

It is very difficult to provide precise equivalence between print light fastness and its durability, as various factors combined with light exposure can affect prints (sun intensity, humidity, etc.).The table below provides an average equivalence guideline:

Light fastness scale (blue wool scale) – print durability index

8 -		Outstanding	2 years
7 -		Excellent	7 to 12 months
6 -		Very Good	3 to 6 months
5 -		Good	2 to 3 months
4 -		Fairly Good	1 month
3 -		Moderate	2 weeks
2 -		Poor	4 to 7 days
1 -		Very Poor	1 to 2 days

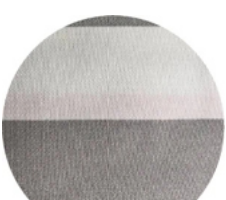

N.B. Above grade 5, if the change is intermediate between two levels, the rating is expressed with both indices (e.g. 5–6). In addition, if the shade darkens, the letter "N" is added to the index.

Available colours

Available in a range of colours chosen to complement current trends and professional ranges.

White – Yellow

White – Grey

White – Red

White – Blue

White – Taupe
