

SYLVIA

SYLVIA - THERMAL LINING

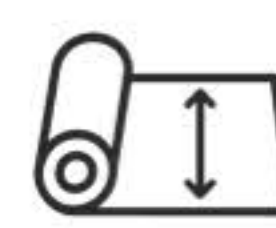

Technical Specifications

Composition

99% Polyester - 1% Polyurethane

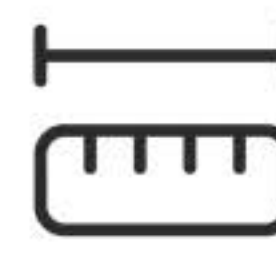

Width

135 cm

Weight

60 g/m²
Approx. 2.5 kg per roll

Packaging

25 m roll (full width)

Care Instructions

Iron only on the non-aluminised side.

Making-Up Instructions

Suitable for thermal curtains and curtain linings.

Applications

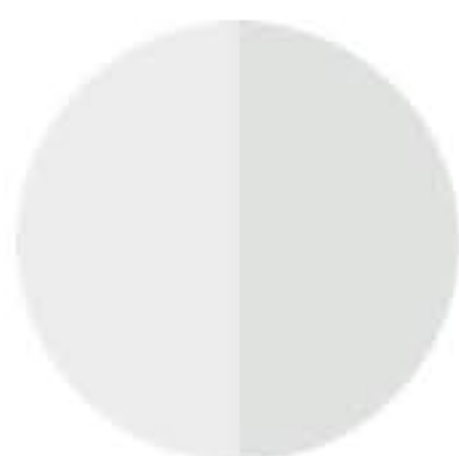

Curtains and thermal curtain linings.

This fabric provides thermal insulation. Its aluminised PU surface reflects solar radiation, helping to reduce heat build-up inside homes, conservatories, motorhomes, caravans, and other enclosed spaces.

Available Colours

Available in a selection of colours carefully chosen to complement current trends and professional collections.

Ecu/Silver

Black/Silver
