Approx. 250 g/m²
Approx. 6 kg per roll

Origin

Italy

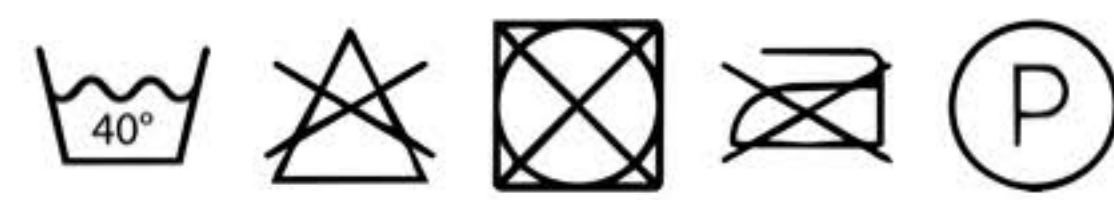

Packaging

15 m roll

Characteristics

Fusible wadding

Care instructions

Instructions for use

Place the rough side of the wadding against the fabric. Apply the iron to the fabric without pressing down, using light pressure to avoid flattening the wadding. Fuse for 10 to 15 seconds depending on the thickness of the fabric, then leave to cool for 20 minutes. Test on a fabric sample before application.

Iron setting

Wool

Use

Voluminous interfacing, lining, accessories.

Combine textures, create your own style
